## Five Themes

Doodle Notes & Review

LEARNED  
GOALS

20 PAGES

## DIRECTIONS

1. Copy as many sets of the Geography Sort as you will need.
2. Cut apart and laminate each set for future use, if would like.
3. Place pieces in bags or envelopes.
4. Pass out to students.
5. Students should find the 5 Theme cards first and place those in a line.
6. After that, students will read each card and determine the theme in which it best fits.
7. After all groups are finished, have a discussion about which themes the placed cards under. (Some will fit into multiple categories, which leads to great discussion!)
8. Have students mix the cards back up and place them back in the bag.
9. This sort can be completed multiple times to review.

**Extension Idea:** Have students create their own cards and have classmates determine the theme.

## Map Skills and the Five Themes of Geography

**Review Activity**

Students Create Flash Cards

Includes QUIZ

The Peanut Gallery

### Identifying Theme

**Directions:** Determine what the theme is for each story and explain your answer. Remember, a theme is a lesson or message in the story. **Write in complete sentences.**

1. Katie Clean invited Messy Missy to her house to work on their biology project, but Katie Clean had no idea what a visit from Messy Missy entailed. First of all, it was raining and Messy Missy neither bothered to take her boots off nor thoroughly wiped them on the doormat. Then Messy Missy ate a bag of hot chips on Katie Clean's white bedspread without asking, and Messy Missy is a sloppy eater, so hot chip powder got all over the bedspread. Katie Clean tried to be polite and ignore Messy Missy's sloppy behavior, but then Messy Missy threw her chip wrapper on the floor. Offended, Katie Clean pretended that she was sick and asked Messy Missy to leave. The next day Katie Clean asked the teacher if she could work by herself. After explaining her situation, the teacher allowed Katie to work alone. Messy Missy would have finished the assignment by herself, but she spilled grape soda all over her assignment.

What is the theme of the story? \_\_\_\_\_

What happens in the story that leads you to believe this? \_\_\_\_\_

2. Money Mark was born rich. He never had to work a day in his life and he got everything handed to him on a silver platter. When he was six, Money Mark wanted to go to a basketball game. His father paid the starting five of the Bulls and Celtics to play a private game of Nerf-ball in Money Mark's bedroom. When Money Mark turned thirteen, he wanted to start a band. His father hired the Rolling Stones to play with him every Saturday at the family's private concert hall, though his family was never there. By the time he was twenty-one, Money Mark was bored with life. He was surrounded by a bunch of possessions that he didn't appreciate and Money Mark could find nothing new or exciting in his life. Despite his vast wealth, Money Mark never found happiness. Penny Petal was born poor. Her family hardly had anything to eat, but they loved each other. Penny Petal appreciated everything she got. When she was six, her father walked her around the United Center before the Bulls played the Celtics. She was excited by the crazy fans and feeling in the air. She looked forward to the day that she could see a real game. When she was thirteen, she learned to play the buckets. She was an extremely talented musician, a natural percussionist, and everyone on the block loved the rhythms that poured from her palms. By the time she was twenty-one, Penny was a successful businesswoman. Now she had everything that she had ever dreamed of and she truly loved to share her wealth and happiness with her family who supported her through all of the hard times.

Into Algebra 1, Geometry, Algebra 2, 8-12 Into Math, K-8 Math Expressions, PreK-6, , AP Human Geography Personal Finance SEE ALL SOCIAL STUDIES AP & ELECTIVES, SUPPLEMENTAL, Writable Professional Development ... My Summer Break Writing Activity, Figure Me Out Icebreaker, Marvelous Me Icebreaker, First Day of School Resources Be prepared for your first day of school. With our resources to help students feel comfortable getting to know each other through fun "un-classroom-like" activities and advice for the teacher, the first day will be great! First Day ... Explore geography. Ask each student to search the newspaper for stories that illustrate each of the five themes of geography – location, place, human interaction and the environment, movement and communication, and regions. Display the stories on a classroom bulletin board labeled with the five geography themes. Hunt for classified math. Have students sketch each big cat in the chart and take notes using the Big Cats Habitats worksheet. 3. Have students identify the species range of each big cat. Divide students into groups of four or five and distribute dry erase markers and one World Physical Tabletop Map to each group. Read aloud the directions for Part 2 of the worksheet. Affect has been found across cultures to comprise both positive and negative dimensions. The most commonly used measure in scholarly research is the Positive and Negative Affect Schedule (PANAS). The PANAS is a lexical measure developed in a North American setting and consisting of 20 single-word items, for instance excited, alert, determined for positive affect, and upset, ... Transitions of Eastern Europe after the Cold War. After World War II ended in 1945, Europe was divided into Western Europe and Eastern Europe by the Iron Curtain The physical barrier in the form of walls, barbed wire, or land mines that divided Eastern Europe and Western Europe during the Cold War. Eastern Europe fell under the influence of the Soviet Union, and the region was ... To fix an outdated citation hyperlink: Take the alphanumeric code at end of the broken hyperlink and add to the end of the link. To find a specific citation by accession number: Take the accession number and add to the end of the link below. The Cricket frog (4cm or 1.5 inches long) can leap 40 times its length in one jump! How big is the biggest and how small is the smallest? The largest frog is the giant or Goliath frog of West Central Africa. It can grow up to more than 1 ft long (30 cm). The largest frog in America is the Bullfrog. It can grow up to more than 6 inches long. This section features nearly 50 award-winning online geography games focusing on geography, history, and other social studies topics. ... This fun online game requires students to drag and drop the labels for the seven continents and the five oceans while the Earth is spinning. It is LOTS of fun, however, the game is very particular about where ... When students aren't provided with an interactive, hands-on activity, studies show that the effects of learning have a much lower impact. Education.com offers just the remedy for this. Give your classroom the information about U.S. history, geography and cultures around the world with Education.com's fourth grade social studies lesson plans.
